HOTEL NASSAU BREDA 'CHOOSE DREAMS OVER SLEEP'

Our hotel guests don't just come to sleep, but to fulfill dreams. In the middle of warmly hospitable Breda, guests enjoy luxury-from-heaven rooms, angelic service, sinful drinks in our Heiligdom ("Sanctuary") bar and divine culinary surprises in the Liefdegesticht restaurant.

HOTEL NASSAU BREDA

Hotel Nassau Breda is the first luxury boutique hotel in North Brabant province, the Netherlands. Located in the dynamic city center of Breda, the hotel's historic ambiance provides unique experiences. The austere lifestyle of the nuns who occupied this property in the 19th century formed a unique contrast to the neighboring old mansions with their wealthy owners. Today this distinction is still evident in the simple, elegant authentic elements of the hotel, contrasted with our luxurious services and facilities. The nuns ran an orphanage called the Liefdegesticht, thus devotion to serving others is built into the very foundations of this historical building. Today our head chef Angel Pando evokes this name and tradition in his culinary sanctuary: the Liefdegesticht Restaurant.

Hotel Nassau Breda is a subsidiary of the Autograph Collection Hotels® of the prestigious Marriott International hotel chain. A select group of exceptional hotels Autograph Collection Hotels® are iconic structures, full of character.
